

# NSoil2017

<http://poli.uns.ac.rs/sr/node/548>

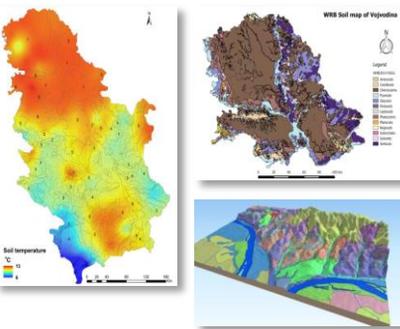

2<sup>nd</sup> International and 14<sup>th</sup> National Congress of Soil Science Society of Serbia  
 “Solutions and Projections for Sustainable Soil Management”  
 25-28<sup>th</sup> September 2017  
 Novi Sad, Serbia

FIRST CIRCULAR

## Solutions and Projections for Sustainable Soil Management

Organized by Soil Science Society of Serbia and Faculty of Agriculture Novi Sad

In recent decades the activities of the Soil Science Society of Serbia (SSSS) contributed to the development of the soil science and environmental protection. This Congress is organized by Soil Science Society since 1953, with the main goal to present scientific achievements between two congresses. One of the main realized objectives was to connect SSSS with international societies, associations and individuals, which resulted that Congress has an international character from 2013. Soil is one of the most important natural resources for the development and survival of mankind. Consequently, the individuals and institutions dealing with soil research and management have a great responsibility and obligation. The main objective of the Congress is to promote scientific knowledge presented in the thematic areas. With great pleasure we invite you to actively participate in the Congress.

- Ecology
- Degradation
- Remediation
- Recultivation
- Conservation
- Contamination
- Land consolidation

### SOIL HEALTH

- Geology
- Evolution
- Pedogenesis
- Morphology
- Classification

### PEDOLOGY

- GIS
- Sensing
- Modelling
- Management
- Crowdsourcing
- Precision agriculture

### SOIL INFORMATICS

- Plant
- Tillage
- Land use
- Agriculture
- Sustainability
- Food security

### SOIL AND FOOD

- Fertility
- Function
- Monitoring
- Biodiversity
- Environment
- Forests and landscapes
- Physics, chemistry and biology

### SOIL QUALITY

- Drainage
- Irrigation
- Floodings
- Water quality
- Water resources
- Water use and protection

### SOIL AND WATER

- Biochar
- Biofuels
- Labile carbon
- GHGs emission
- Sequestration
- Climate change

### SOIL ORGANIC MATTER

## SUBMISSION

---

Deadline for title	April 15 <sup>th</sup> 2017
Deadline for abstracts	May 31 <sup>st</sup> 2017
Replies to authors	June 31 <sup>st</sup> 2017
Deadline for full papers	October 15 <sup>th</sup> 2017
Submission E-mail	<a href="mailto:submission@polj.edu.rs">submission@polj.edu.rs</a>
Contact person	dr Vladimir Ćirić
Telephone	+381-21-485-3533

## CONTACT

---

Contact person	dr Ksenija Mačkić
Telephone	+381-21-485-3225

## PROGRAM

---

Monday	Sept. 25 <sup>th</sup>	Arrival and registration
Tuesday	Sept. 26 <sup>th</sup>	Plenary and poster presentat.
Wednesday	Sept. 27 <sup>th</sup>	Oral and poster presentation
Thursday	Sept. 28 <sup>th</sup>	Field trip

## REGISTRATION FEES

---

Student	50 €
Young researcher	50 €
Regular participant	100 €
Late registration	150 €

## VENUE

---

University of Novi Sad, Faculty of Agriculture  
Dositeja Obradovića sq. 8, Novi Sad, Serbia
