## Uputstvo za podesavanje proxy servera

1. Otvorite "control panel". Ukoliko nemate ovu ikonicu na desktopu, otvorite "Start" I u polje za pretragu upisite control

2. Nakon sto se otvori prozor control panel-a, izaberite stavku "internet options"

3. U prozoru internet options izaberite peti jezicak po redu "connections"
