

Dr Maja Manojlović, redovni profesor
Uža naučna oblast: Pedologija i agrohemija
E-mail: majacuv@polj.uns.ac.rs
Telefon: +381 21 4853 371

Obrazovanje

- **Dipl. inž. (1989)** – Univerzitet u Novom Sadu, Poljoprivredni fakultet, smer - Ratarsko-povrtarski
- **Magistar nauka (1991)** - Poljoprivredni fakultet, u Novom Sadu, smer – Zemljište i ishrana biljaka - Agrohemija
- **Doktor nauka (2000)** - Poljoprivredni fakultet u Novom Sadu, Doktorska disertacija: *Selen u Zemljištima Vojvodine i njegova pristupačnost*

Odabrane publikacije

1. **Manojlović M**, Singh BR (2012): Trace elements in soils and food chains of the Balkan region. *Acta Agriculturae Scandinavica, Section B - Plant Soil Science*, 62(8), 673-695
2. **Manojlović M**, Čabilovski R, Sitaula B (2011): Soil organic carbon in Golija mountain (Serbia) soils: effects of land use and altitude. *Polish Journal of Environmental studies* **20** (4), 977-986
3. **Manojlović M**, Čabilovski R, Bavec M (2010): Organic materials: Sources of nitrogen in organic production of lettuce. *Turkish Journal of Agriculture and Forestry* 34, 163-172
4. **Manojlović M**, Aćin V, Šeremešić S (2008): Long-term effects of agronomic practices on the soil organic carbon sequestration in Chernozem. *Archives of Agronomy and Soil Science* **54**(4), 353-367
5. **Manojlović M** (Urednik) Đubrenje u održivoj poljoprivredi. Novi Sad, Poljoprivredni fakultet, 2008 (Novi Sad, Monograf), 1- 204

Odabrani projekti

1. COST Action FA0905 - Mineral Improved Crop Production for Healthy Food and Feed, 2010-2014 (Član Upravnog odbora)
2. Mineral improved crop production for human and animal health in Balkan Countries. Balkan-HERD program, 2010-2014 (Lokalni koordinator)
3. Grassland management for high forage yield and quality in the Western Balkans. Balkan-HERD program, 2011-2015 (Lokalni koordinator)
4. Agricultural Adaptation to Climate Change – Networking, Education, Research and Extension in the West Balkans. Balkan-HERD program, 2012-2015 (Lokalni koordinator)

5. Organska poljoprivreda: Unapredjenje proizvodnje primenom đubriva, biopreparata i bioloških mera (TR31027), 2011-2014 (Rukovodilac)

Akadske aktivnosti

- Nastava iz uže naučne oblasti Pedologija i agrohemija na osnovnim akademskim, master i doktorskim studijama
- Mentor doktorske disertacije – 4 (izrada u toku), magistarske teze - 1, master rada – 4, diplomskih radova – veći broj. Učesnik komisija za odbranu na svim nivoima studija - veći broj.

Članstvo u udruženjima

- Srpsko društvo za proučavanje zemljišta
- ISOFAR (International Society of Organic Agriculture Research)

Ostale aktivnosti

- Citiranost u međunarodnim časopisima sa impakt faktorom - 33
- Generalni sekretar međunarodne ESNA konferencije (2004). Član Programskog odbora XII Kongresa Društva za proučavanje zemljišta Srbije (2009), član Programskog odbora Festivala nauke (2009, 2010). Predsednik Komisije za naučni rad studenata PF u Novom Sadu (2008-2011)
- Predavanja po pozivu: na međunarodnim skupovima – 2, na nacionalnim skupovima – 5. Predsedavanja u sekcijama na nacionalnim i evropskim skupovima – veći broj
- Recenzent: međunarodne knjige - 1, radova u časopisima sa impakt faktorom – 4, radova sa međunarodnih skupova - veći broj

Full Professor Maja Manojlović, PhD

Field of research: Soil science and agrochemistry

E-mail: majacuv@polj.uns.ac.rs

Telephone: +381 21 4853 371

Academic qualifications

- **BSc** (1989) - University of Novi Sad, Faculty of Agriculture, Agronomy
- **MSc** (1991) - University of Novi Sad, Faculty of Agriculture, Soil Science and Plant Nutrition
- **PhD** (2000) - University of Novi Sad, Faculty of Agriculture, Thesis Title: *Selenium in the Soils of the Vojvodina Province and its Availability*

Selected publications

1. **Manojlović M**, Singh BR (2012): Trace elements in soils and food chains of the Balkan region. *Acta Agriculturae Scandinavica, Section B - Plant Soil Science*, 62(8), 673-695
2. **Manojlović M**, Čabilovski R, Sitaula B (2011): Soil organic carbon in Golija mountain (Serbia) soils: effects of land use and altitude. *Polish Journal of Environmental studies* **20** (4), 977-986
3. **Manojlović M**, Čabilovski R, Bavec M (2010): Organic materials: Sources of nitrogen in organic production of lettuce. *Turkish Journal of Agriculture and Forestry* 34, 163-172
4. **Manojlović M**, Aćin V, Šeremešić S (2008): Long-term effects of agronomic practices on the soil organic carbon sequestration in Chernozem. *Archives of Agronomy and Soil Science* **54**(4), 353-367
5. **Manojlović M** (Editor) Fertilization in sustainable agriculture (Đubrenje u održivoj poljoprivredi). Novi Sad, Poljoprivredni fakultet, 2008 (Novi Sad, Mondograf), 1-204

Selected projects

1. COST Action FA0905 - Mineral Improved Crop Production for Healthy Food and Feed, 2010-2014 (MC member)
2. Mineral improved crop production for human and animal health in Balkan Countries. Balkan-HERD program, 2010-2014 (Local coordinator)
3. Grassland management for high forage yield and quality in the Western Balkans. Balkan-HERD program, 2011-2015 (Local coordinator)

4. Agricultural Adaptation to Climate Change – Networking, Education, Research and Extension in the West Balkans. Balkan-HERD program, 2012-2015 (Local coordinator)
5. Organic Agriculture: Improvement of production by use of fertilizers, biopreparations and biological measures, Ministry of Science and Technological Development of Republic of Serbia (TR31027), 2011-2014 (Coordinator)

Academic activities

- Teaching at BSc, MSc and PhD studies. Taught courses covering soil sciences / organic agriculture: soil fertility and nutrient management, global environmental change
- Supervisor to 4 PhD students, supervised 1 Magister's, and 4 MSc students, numerous BSc, member in a numerous committees

Memberships

- Serbian Soil Science Society
- ISOFAR (International Society of Organic Agriculture Research)

Other activities

- Citations in international journals with impact factor - 33
- Secretary General of the International ESNA Conference (2004). Programme Committee Member of XII Congress of Soil Science Society of Serbia (2009), Program Committee Member of the Science Festival, University of Novi Sad (2009, 2010). The President of the Commission of Scientific Research of students, Faculty of Agriculture, Novi Sad (2008-2011)
- Invited Lecturer: on the international conferences – 2; national conferences – 5. A number of sections of the presidency in national and international events
- Reviewer: International books - 1, in journals with impact factor - 4, a number of papers from international conferences
