## 47<sup>th</sup> Conference for Students of Agriculture and Veterinary Medicine with international participation

Dear Bachelor, Master and PhD students,  
It is our pleasure to invite you to take part in 47<sup>th</sup> Conference for Students of Agriculture and Veterinary Medicine with international participation on November 17, 2023.

This event aims to provide scientific exchange in the following areas: Plant Production, Landscape Architecture, Animal Science, Agricultural Engineering, Water Management, Agricultural Economics, Veterinary medicine.

Students and their mentors will have an opportunity to attend the workshop *"Responsible Research in Agriculture and Veterinary medicine"*

All presented papers should be written in English. Prior to publication, all papers will be submitted for review to a scientific committee. Accepted papers will be published as full texts in separate Proceeding book. Students will have an opportunity to choose between poster session and oral presentations. Within both groups, Committee will choose the best paper.
