CURRICULUM VITAE  
FORMAT

PERSONAL INFORMATION

Name FERENC BAGI, PHD  
Address ADI ENDRE 29, 21235 TEMERIN, SERBIA  
Telephone OFFICE +381 214853356 / MOB. +381 69 1955054  
Fax /  
E-mail [bagifer@polj.uns.ac.rs](mailto:bagifer@polj.uns.ac.rs) , [ferenc.bagi@polj.edu.rs](mailto:ferenc.bagi@polj.edu.rs)  
Nationality HUNGARIAN; SERBIAN AND HUNGARIAN CITIZEN  
  
Date of birth 05. SEPTEMBER 1968

WORK EXPERIENCE

- Dates (from – to) 2018- ongoing
- Name and address of employer Faculty of Agriculture, University of Novi Sad, Serbia
- Type of business or sector Department of Environmental and Plant Protection
- Occupation or position held **Full professor, Plant protection, Plant pathology**
- Main activities and responsibilities Education and science, project leading
- Dates (from – to) 2015 – 2018
- Name and address of employer Faculty of Agriculture, University of Novi Sad, Serbia
- Type of business or sector Department of Environmental and Plant Protection
- Occupation or position held **Associate professor, vice dean for education**
- Main activities and responsibilities Education and science, management at faculty level, project leading
- Dates (from – to) September 2013 – 2014
- Name and address of employer Ministry of Agriculture, Forestry and Water Management – Serbia
- Type of business or sector Plant Protection Directorate
- Occupation or position held **Director**
- Main activities and responsibilities Coordination in Plant protection directorate
- Dates (from – to) 2012 – 2013
- Name and address of employer Faculty of Agriculture, University of Novi Sad, Serbia
- Type of business or sector Department of Environmental and Plant Protection
- Occupation or position held **Associate professor, Plant protection, Plant pathology**
- Main activities and responsibilities Education and science, project leading

- Dates (from – to) 2007 – 2012
- Name and address of employer Faculty of Agriculture, University of Novi Sad, Serbia
  - Type of business or sector Department of Plant and Environmental Protection
  - Occupation or position held **Assistant professor, Phytomedicine**
  - Main activities and responsibilities Education, science, work on projects

- Dates (from – to) 1999 – 2007
- Name and address of employer Faculty of Agriculture, University of Novi Sad, Serbia
  - Type of business or sector Department of Plant and Environmental Protection
  - Occupation or position held **Assistant, Phytomedicine**
  - Main activities and responsibilities Education, science

- Dates (from – to) 1995 – 1999
- Name and address of employer Faculty of Agriculture, University of Novi Sad, Serbia
  - Type of business or sector Department of Plant and Environmental Protection
  - Occupation or position held **Assistant beginner**
  - Main activities and responsibilities Education, science

#### EDUCATION AND TRAINING

- Dates (from) 1999 - 2007
- Name and type of organization providing education and training Faculty of Agriculture, University of Novi Sad, Serbia
- Principal subjects/occupational skills covered **Agricultural Science**
- Title of qualification to be awarded **Ph.D.**

- Dates (from – to) 1993 - 1999
- Name and type of organisation providing education and training Faculty of Agriculture, University of Novi Sad, Serbia
- Principal subjects/occupational skills covered **Agricultural Science**
- Title of qualification awarded **Master of science**

- Dates (from – to) 1987 - 1993
- Name and type of organisation providing education and training Faculty of Agriculture, University of Novi Sad, Serbia
- Principal subjects/occupational skills covered **Plant protection**
- Title of qualification awarded University Degree

- Dates (from – to) 2015, June 08-June 26
- Name and type of organisation providing education and training United State Department of State, Bureau of Educational and Cultural Affairs
- Principal subjects/occupational skills covered **International Visitor Leadership Program, US Agricultural Trade and Food Safety**

- Dates (from – to) 2013

- Name and type of organisation providing education and training
  - Principal subjects/occupational skills covered
- Dates (from – to)
- Name and type of organisation providing education and training
  - Principal subjects/occupational skills covered
- Dates (from – to)
- Name and type of organisation providing education and training
  - Principal subjects/occupational skills covered
- Dates (from – to)
- Name and type of organisation providing education and training
  - Principal subjects/occupational skills covered
- Dates (from – to)
- Name and type of organisation providing education and training
  - Principal subjects/occupational skills covered
- Dates (from – to)
- Name and type of organisation providing education and training
  - Principal subjects/occupational skills covered
- Dates (from – to)
- Name and type of organisation providing education and training
  - Principal subjects/occupational skills covered
- Dates (from – to)
- Name and type of organisation providing education and training
  - Principal subjects/occupational skills covered

Faculty of Agriculture, University of Novi Sad

**International Joint master degree in Plant Medicine (IPM), “Tempus IV”, (158875-Tempus-1-2009-1-IT-Tempus-JPCR)**

2012

Faculty of Agricultura, University of Bari, Italia

**Training mobility framework ref.n.3.6, Training activity Plant Virology, International Joint master degree in Plant Medicine (IPM), “Tempus IV), 2009, (158875-Tempus-1-2009-1-IT-Tempus-JPCR)**

2013

Ministry of Agriculture, Forestry and Water Management – Serbia

**Twining project SR/08/1B/AG/01. Harmonization of national legislation with EU legislation for placing the market and control of Plant Protection Products and implementation of new legal provisions.**

2013

Faculty of Agriculture, University of Novi Sad

**Training mobility framework ref. n. 3.24, Training activity Clinical Field and Lab Plant Disease Diagnosis, Biological Control and Specimen Collection.**

2010

Faculty of Agriculture, University of Segedin, Hungary

**Plant protection policy in EU and Hungarian experiences in pesticides application**

2002

Plant Breeding Institute Freising-Weihenstephan, University of Munich, Germany, DAAD scholarship

**Specialization in Plant Pathology, Testing of resistance to maize dwarf mosaic virus**

2000

Urbana-Champaign Department of Crop Sciences Urbana-Champaign, University of Illinois

**Specialization in Plant Pathology, Testing of resistance to maize dwarf mosaic virus**

1997

Plant Protection Institute, Hungarian Academy of Science, Budapest, Hungary

**Specialization in Phytopathology, Research of species of the genus Fusarium**

**PERSONAL SKILLS  
AND COMPETENCES**

MOTHER TONGUE

- Reading skills
- Writing skills
- Verbal skills

**HUNGARIAN**

ENGLISH	GERMAN	HUNGARIAN	SERBIAN
C1	A2	C2	C2
C1	A2	C2	C2
C1	A2	C2	C2

SOCIAL SKILLS  
AND COMPETENCES

Leadership experience from work at Ministry, director of Plant Protection Directorate, Ministry of Agriculture of Republic of Serbia  
 Leadership experience as a vice dean of education at Faculty of Agriculture  
 Good communication skills, risk management and problem solving capacity  
 Experience in realization of Scientific meetings  
 Good reporting skills  
 Good teamwork capacity  
 Experience in teaching and communication with project stakeholders

ORGANISATIONAL SKILLS  
AND JOB RELATED COMPETENCES

**Work with legislatives about plant protection products and other laws as a Director of Plant Protection Directorate, Ministry of Agriculture, Serbia**

Experience in Project Management  
 Experience in organization of Seminars, scientific meetings  
 Good experience in Staff Management  
 Excellent knowledge in plant pathology, plant protection, food safety, plant protection product efficacy evaluation, plant protection registration process  
 Implementation of ISO standard at the Laboratory for Biological Research and Pesticides, Faculty of Agriculture, Novi Sad, Serbia  
 -defended Master and PhD thesis of Agronomy, specialization Plant protections

- Secretary of negotiation group in front of Ministry of Agriculture, Republic of Serbia in harmonization of legislatives with EU in area of Food Safety, Veterinary and Phytosanitary Policy (Chapter 12 in EU-Serbia negotiation) (2013-14)
- as a Director of Plant Protection Directorate responsible for food safety for plant originated food (2013-14)
- realized international projects and published papers about pesticide efficacy, mycotoxin contaminations of cereals and cereal diseases
- published scientific works about pesticide application
- mentor of master and PhD thesis from the field of cereal diseases

- Organization of mycotoxin screening at Serbian state level 2013 (Plant Protection Directorate, Republic of Serbia). Head of the working group formed by Ministry of Agriculture for Evaluating the maize health status and mycotoxin content (2013-2014)
- Member of Scientific council for plant health and plant protection products of Ministry of Agriculture, Serbia (2014-ongoing).**
- Member of working group formed by Ministry of Agriculture, Serbia to monitor the production, processing an export and food safety of raspberry and blackberry (2013-2014)
- Part of working group formed by Ministry of Agriculture, Serbia for reviewing the list of harmful plant organism, as a part of Plant health law (2014-ongoing)
- Participated on Seminar AGP 5446 Bureau for technical Assistance and Information Exchange instrument-TAIX) area of food safety, veterinary and phytosanitary policy, 24.10.2013.-25.10.2013, Brussels, Belgium
- Member of delegation of Republic of Serbia at explanatory screening for chapter 12, Food safety, veterinary and phytosanitary policy, 03-07 February, 2014, Brussels, Belgium**

- Participant of workshop Analysis of food and feed contaminants- legal requirements and challenges for analysts. Enlargement and Integration Workshop, Geel Belgium. Institute for Reference Materials and Measurements. Joint Research Centre, European Commission (2015.01.27-01.28)
- Invited to the Round table of aflatoxin experts, Brussels, Monday 25<sup>th</sup> January 2016 PAEPARD organized in collaboration with the Directorate General Sante of the European Commission, the East African Farmer Federation (EAFF), the Partnership for Aflatoxin Control in Africa (PACA) and the African Society of Mycotoxicology (ASM) a round table for key aflatoxin experts (not only research experts) on the mitigation of aflatoxin in food and feed in Africa on Monday 25/01/2015 in Brussels.
- Participant International Staff Training Week 2018, at the Estonian University of Life Sciences, Erasmus+ International Credit Mobility training program

**-member of scientific and organisational committees of more than 20 national and international scientific conferences**

TECHNICAL SKILLS  
AND COMPETENCES

Good computer literacy

OTHER SKILLS  
AND  
COMPETENCES

**COORDINATION AND PARTICIPATION IN SCIENTIFIC PROJECTS**

- Dates (from – to)

International projects:

**-Deputy Work package leader in Horizon 2020 Safe Food and Feed through an Integrated ToolBox for Mycotoxin Management (MyToolBox) 2016-2020, Grant Agreement number: 678012 — MyToolBox — H2020-SFS-2014-2015/H2020-SFS-2015-2**

- **Member of scientific project** Strategies to predict, prevent and reduce the effect of fungal contamination on cereals quality, production and food safety – SAFETYCER under the **Erasmus+** programme 2017-1-RO01-KA202-037215 . 01.10.2017-30.09.2019.

**-Local coordinator of Ceepus network “Biology, Biotechnology and Food Science”2014- 2018**

- **Project leader Twining project SR12-IB-AG-01 - Implementation of sustainable use of plant protection products and establishing systems for regular technical inspection of pesticide application equipment (2014)**

- **Team member** Tempus project International joint Master degree in Plant Medicine (IPM), 158875-TEMPUS-IT-JPCR Joint Project-Curricular Reform, member of Didactic Working Group, 2010-2012.

- **Team member** HU-SRB/0901/2.2.1/045- SHAPE, Serbian-Hungarian Co-operation on **Agrochemistry and Pest-control Education**, within the Hungary-Serbia IPA Cross-border Co-operation Programme (2010-2012).

- **Project leader** HUSRB/1002/1.2.2/062 Improvement of safety of corn-based feedstuffs through using more resistant hybrids and management of corn processing (Hungary-Serbia IPA Cross-border Co-operation Program), Reference number of the Call for Proposals: HUSRB/1002/1.2.2/062 (2012-2013)

National (Serbian) projects:

-Basic researches in entomology, phytopathology and phytopharmacy (new and less known plant parasites) Subject: Newer methods of differentiation of populations of some pathogens of crops, project number: 12M17 (1996-1999)

-National program of biotechnology and agro-industry, Program of production and processing of crops. Subject: Heat-treated whole grain cereals, project number: 410 (2002-2005)

-National program of biotechnology and agro-industry, Program of production and processing of vegetables, potato and flowers. Subject: Improvement and vegetable

- processing, project number: 432 (2002-2005)
- Breeding and biotechnology in order to increase the genetic potential of sugar beet (TP-6836B) (2005-2007)
  - Dedicated quality wheat production under controlled conditions with the application of the principles of HACCP (TP-6849B) (2005-2007)**
  - Product development and methods of protection against harmful agents in the sustainable use of pesticides and the environment (TP 20135) (2008-2010)**
  - The creation and use of vegetable cultivars and hybrids for open field (TP 20077) (2008-2010)
  - Germ plasma improvement of sugar beet in order to increase yields and reduce losses caused by the influence of biotic and abiotic factors (TP 20020) (2008-2010)
  - New products of organic cereals and pseudocereals (III46005) (2011-2015)
  - Creating a slowly developing foundation stocks for sweet cherries and cherries and the development of intensive growing on the principles of sustainable agriculture (TP031038) (2011-2015)
  - Elaboration of measures for integrated protection of cucumber downy mildew to securing safe products for processing and export (2011-2015)**
  - Sugar beet root rot in Vojvodina \*Project of Province Vojvodina, Republic of Serbia (2011-2013)
  - Sustainable and ecologically acceptable risk management in pesticide application, Provincial Secretariat for science and technological development, project No 114-451-744/2015-02 (2015-ongoing)**

**MEMBERSHIP IN  
PROFESSIONAL  
ORGANIZATIONS,  
FUNCTIONS IN  
COMMISSIONS**
