- Single or shared rooms in off-campus dorms
- Fully furnished shared apartments

### Facilities include:

- Wireless internet connection
- Utilities (water and electricity)
- Biweekly cleaning service
- TV
- DVD player
- Kitchenware

For more information, please visit [www.milservice.com](http://www.milservice.com)

\* Single or shared rooms in a residence hall are conveniently located off-campus. [www.milservice.com](http://www.milservice.com)

## The housing solution

« MIL Service provides a very comfortable and welcoming environment, guided by an understanding and helpful support staff. The apartments are fully equipped making it an ideal “homey” housing solution. »

Students can find their own accommodation before and upon arrival in rental apartments with other students. For assistance students should refer to:

- University housing announcement boards
- Assistance from the international student associations, ESN or ESEG
- Housing websites

Cattolica can assist students with finding temporary accommodation until permanent housing is found.

## The international student center

It's a students' home away from home and it houses the support staff: advisors, mentors and friends.

A unique understanding of the challenges experienced by international students, based on **first-hand international experience**.

The first place of assistance for students before, during and after their experience in Cattolica for the following matters:

- Academic
- Administrative issues
- Housing
- Services
- Every-day life in Milan

### Our Advisors speak:

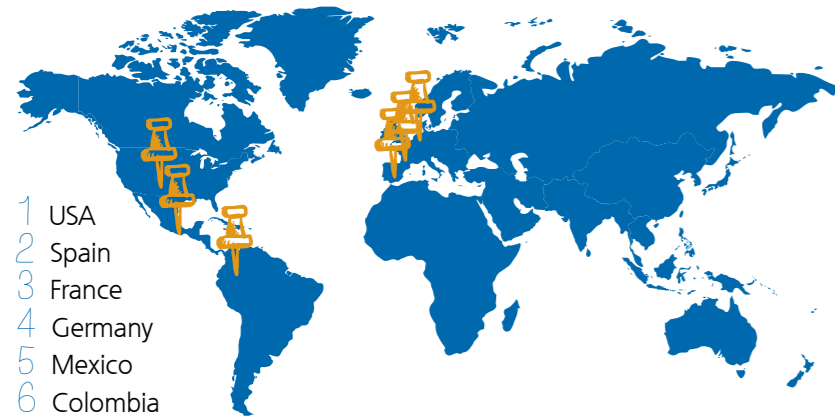

- ✓ Italian
- ✓ English
- ✓ German
- ✓ Spanish
- ✓ French
- ✓ Russian

« The helpful staff at the International Student Center pay special attention to all student requests, by providing quick and effective assistance. They are an added value to an unforgettable experience. »

## Center for Higher Education Internationalization (CHEI)

The Center for Higher Education Internationalization promotes and conducts research, training, and policy analysis to strengthen the international dimensions of higher education. The themes CHEI covers:

- Emerging trends in internationalization: policies, strategy, mobility, recruitment, internationalization of the curriculum
- Rationales for internationalization: economic drivers, political factors, social/cultural motives, educational rationales
- International education and institutional development: university internationalization strategy development; using research to develop policy on international education; incorporating at home and abroad dimensions into institutional strategy; using data to shape institutional strategy
- Internationalization of Italian Universities in the European and global context: creating a forum for dialogue for Italian institutions.

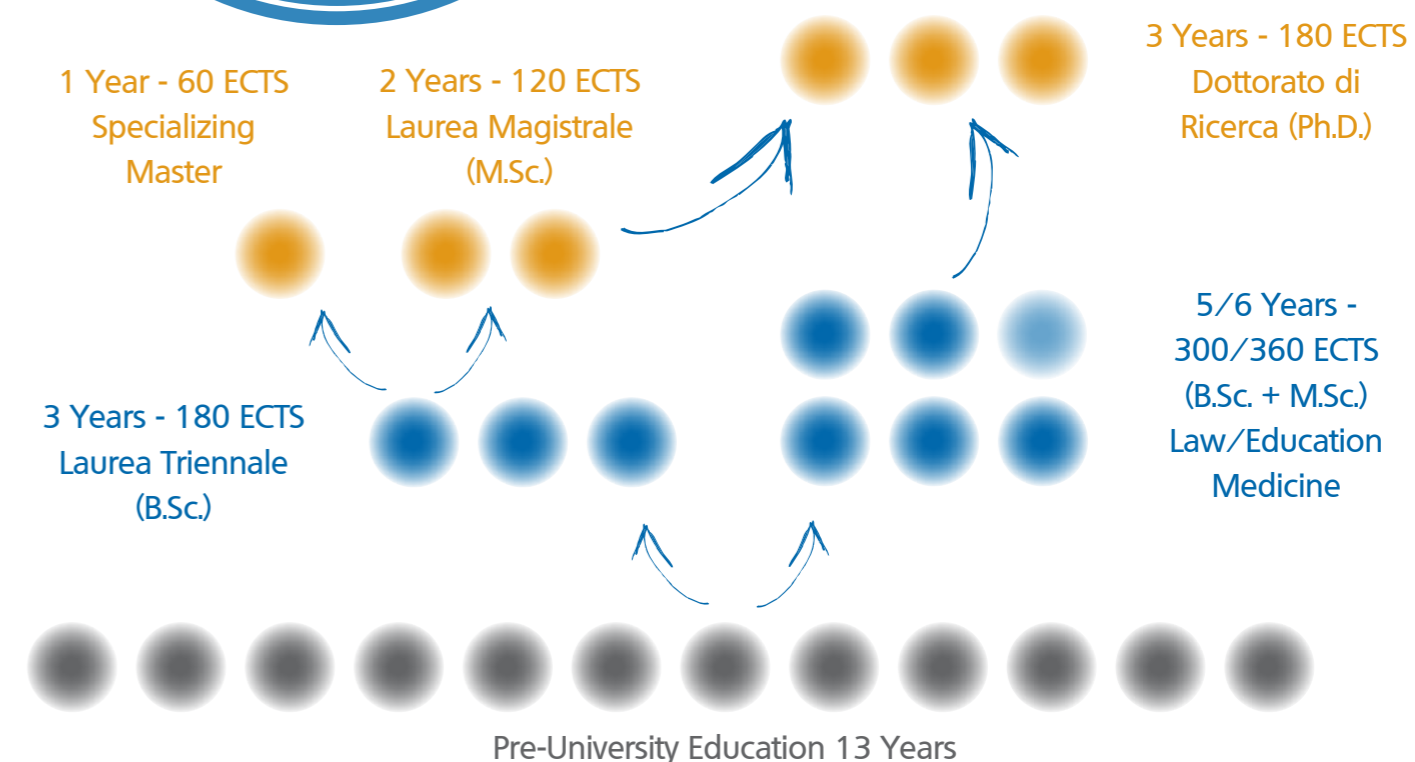

## Center for International Solidarity (CIS)

The Center for International Solidarity was created in 2006 as a center for the coordination of all the international cooperation projects of the University. It operates all over the world with a strong dedication to projects in Africa, Latin America, and the Middle East. Although its areas of interest are many, CIS focuses strongly on issues related to medical and educational fields, disability, women's rights and charity work programs.

## Confucius Institute at Cattolica (CI)

CI is dedicated to encouraging interest in and spreading knowledge of Chinese language and culture in the University, in the city of Milan and more generally in the Lombardy Region. The CI offers a variety of specially designed courses, activities and events for its members and the community, and provides specialized resources for learners and teachers.

# Italian higher education system

The higher education system in Italy is structured into four different stages:

### Undergraduate Degree/Bachelor of Science - B.Sc. (Laurea Triennale o a Ciclo Unico)

Course duration: 3, 5 or 6 years  
ECTS/Credit points: 180, 300 or 360  
Aims to provide a solid foundation in the core subjects as well as more specialized, professional training. Students holding a 3-year undergraduate degree or Laurea a Ciclo Unico can either enter the job market or continue their studies by applying for a Master of Science or Specializing Master program.

### Graduate Degree/Master of Science - M.Sc. (Laurea Magistrale)

Course duration: 2 years  
ECTS/Credit points: 120  
Undertaken after the undergraduate degree and aims to provide rigorous, advanced training in more highly specialized areas.

### Specializing Master (Master Universitario)

Course duration: 1 year  
ECTS/Credit points: 60  
A professionalizing program providing practical knowledge and training through coursework and internships. These masters programs within the Italian education system do not generally allow access to a Ph.D. program upon completion of the Master. Recognition of the Specializing Master towards a Ph.D. program outside of Italy will depend on local State regulations or individual doctoral programs.

### Doctoral Program - Ph.D. (Dottorato di Ricerca)

Course duration: 3 years  
ECTS/Credit points: 180  
Undertaken after the completion of a M.Sc. or an equivalent graduate degree. It aims to develop the professional competence to carry out high level research in manufacturing and service companies, public bodies and universities.

# Internship program

## Design My Career

Design My Career is addressed to study abroad and exchange students who wish to undertake a professional experience in a culturally-diverse environment as part of their academic curriculum.

The program provides each student intern with an integrated academic and professional learning experience, which can be done at different periods during the academic year and in two different modalities:

### Full-time internship program

- What it includes: an Intensive Italian language course before placement (6 ECTS), workshops, internship placement, academic and company tutorship/advising
- The full-time internship is ideal for students having done prior a semester at Cattolica and wish to complement their studies with a full-time work experience in Italy; or it may be an opportunity for those only interested in a stand-alone internship program
- When: Fall (Sept. - Dec.), Spring (Feb. - May), or Summer (end-May - July)
- Credits: 180 hours (Summer), 6 ECTS; 240 hours (Semester), 9 ECTS

### Part-time internship program

- What it includes: 2/3 academic courses at Cattolica (12-15 ECTS), Intensive Italian Language (6 ECTS), part-time internship placement (180 hrs/6 ECTS)
- The part-time internship will be primarily a project-work defined together with the Cattolica Academic Advisor

and the assigned Company tutor/advisor. It may be that the student will not be required to regularly work at the company base.

- When: Fall and Spring semesters

### The internship placements

The placements are offered in the following areas:

- Business
- Supply chain
- Accounting and finance
- Marketing
- Consulting
- Banking
- Fashion and sales\*
- Legal services
- Translations/editing
- Communication

\*for positions in this area some Italian knowledge might be required. Students must be aware that over 90% of Italian businesses are small or medium-size enterprises, so placements in large multinational companies are limited. The placements that are offered here, which do not require the knowledge of Italian, are among very few available positions. If you are given a placement, there may not be an alternative option. It is therefore important that candidates understand the need to be flexible. However, Cattolica will take great care in finding the best match.

For more information please see our website  
[› www.ucscinternational.it](http://www.ucscinternational.it)

# Admissions

## Degree-seeking students

Students interested in enrolling in a degree program at Cattolica must meet the following requirements:

**Undergraduate Programs - 3-year Laurea Triennale/5-year Law/5-year Education/6-year Medicine and Surgery**  
In order to be eligible for admission to an undergraduate degree, candidates must hold a high school qualification that:

- satisfies the requirements for access to university in the awarding country. If the home country admission to university-level studies is subject to special entry exams, the candidates must provide evidence to have successfully passed such exams.
- was conferred on completion of a minimum of 12 years of previous general schooling. If the diploma was obtained after 10 or 11 years, candidates must have integrated their high school studies with additional 1 or 2 years of college or university studies. The pre-school year can be taken into consideration only if attendance was compulsory and if the curriculum included reading and writing skills development in the candidate's native language.

For additional information regarding admission requirements and application procedures, please visit our website › [www.ucscinternational.it](http://www.ucscinternational.it)

Please note that there may be variations in the admission requirements of specific degree programs, such as an entry exam.

## Graduate Programs - 2-year Laurea Magistrale

In order to be eligible for admission to a graduate degree program of 2 years (Laurea Magistrale), candidates must hold a bachelor-level qualification. Cattolica will evaluate the candidate's international qualification and academic background in order to determine whether he/she meets the specific conditions for admissions for the selected program. Admission to some degree programs may be subject to having taken specific undergraduate courses.

For more information regarding admission requirements to a

2-year graduate degree and the application process, visit our website › [www.ucscinternational.it](http://www.ucscinternational.it)

## Graduate Programs - 1-year Specializing Masters

Education requirements for admissions to 1-year Specializing Masters may vary per program. For information regarding the admissions and application process for the following Master programs, please check the website

› [www.ucscinternational.it](http://www.ucscinternational.it)

- Master in Corporate communication (Milan campus)
- Master in Global business and sustainability. Entrepreneurship track (Milan campus)
- Master in International business (Milan campus)
- Master in International marketing management (Milan campus)
- Master in International relations (Milan campus)
- Master in International cooperation and development (Milan campus)
- Master in Luxury goods management (Milan campus)
- Master in Middle Eastern studies (Milan campus)

For all other 1-year Specializing Masters, please visit the Master's website information at › [master.unicatt.it](http://master.unicatt.it)

## Exchange students

Students admitted on an exchange basis must be enrolled at a Cattolica exchange partner institution, either within Europe (Erasmus Plus Program) or outside Europe (Bilateral Exchange Agreements), or at an ISEP network member institution. Students may not apply directly to Cattolica as they must be nominated by their home institution. Students interested in an exchange must contact their study abroad office on campus to verify whether an exchange placement at Cattolica is possible.

## Study abroad/visiting students

Students who may not be enrolled at a Cattolica's exchange partner institution may directly enroll for a semester or a year or choose one of Cattolica's Summer courses. In some cases students may have the opportunity to benefit from specific direct enrollment agreements, should their home institution have a direct enrollment agreement with Cattolica. All students interested in the direct enrollment option must get proper authorization from their institution to apply to Cattolica.

For admission requirements and procedures please see the information on our website › [www.ucscinternational.it](http://www.ucscinternational.it)

## Internship program

For specific admissions and application procedures for the Internship Program - Design My Career, please see the relevant information on our website › [www.ucscinternational.it](http://www.ucscinternational.it)
